Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

A. You are requested to fill out this box. This data is requested from some states by the Department of Justice in their enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list: AI=American Indian or Alaskan Native; AP=Asian or Pacific Islander not Native Hawaiian; B=Black, not of Hispanic Origin; H=Hispanic; M=Multi-racial; NH=Native Hawaiian; W=White, not of Hispanic Origin; O=Other.

B. Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C. Provide the complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2

miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

D. Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

E. If you do not list a political party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.

F. Check ONE box.

G. The applicant must sign and date the FPCA for it to be processed by the local election official.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Tennessee and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. When To Do It

You may use a single FPCA to request ballots for both the primary election and general election in a calendar year (for local, state and Federal offices).

(1) **To register temporarily and request an absentee ballot**, send a completed FPCA to the county election commission during the same calendar year as the election(s), so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than seven days before the election. Alternatively, send a written request for temporary registration and an absentee ballot to the local county election commission. This written request must include your name, social security number, date of birth, the address you claim as your legal voting residence, and your current mailing address (where you want the ballot to be sent), and must be signed under penalty of perjury.

To register permanently, request a state post card registration form from the local county election commission. Complete it, postmark it at least 30 days before the election and return it to the local county election commission.

If you are permanently registered and only wish to request an absentee ballot, send a completed FPCA to the county election commission so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than seven days before the election.

(2) Return your voted ballot so that it arrives by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2.

C. Oath/Witness Requirements

The registrant must swear or affirm that the information supplied on the registration application or voting materials is true and correct. Furthermore, if an absentee applicant or voter requires assistance, one (1) additional person must witness the assistance given.

D. Electronic Transmission of FPCAs and Ballots

- Tennessee allows you to send the FPCA to temporarily register and request an absentee ballot by fax. After faxing, submit the FPCA by mail.
- Tennessee does not allow you to receive the blank ballot by fax.
- Tennessee does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use only the following numbers:**

DSN 223-5527

E. Special Write-in Absentee Ballot

State law generally provides that no later than forty-five (45) days before an election, the county election commission shall mail a ballot to all Armed Forces personnel who as of that date have made a valid application for a ballot. Armed Forces personnel who feel that due to requirements of military service this may not be a sufficient amount of time to receive and then return the voted ballot may also use the Federal Write-In Absentee Ballot referred to in the last paragraph of Section I.B. above. If both ballots are received prior to the close of the polls on election day, the county election commission will count the ballot it provided to the voter.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Tennessee and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Tennessee.

- residents of Tennessee temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas citizens
- U.S. citizens who have never resided in the U.S. but have a parent who is eligible to vote in Tennessee. These citizens are eligible to vote at the same voting residence claimed by their parent

B. When To Do It

You may use a single FPCA to request ballots for both the primary election and general election in a calendar year.

(1) **To register temporarily and request an absentee ballot**, send a completed FPCA to the county election commission during the same calendar year as the election(s), so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after Jan. 1) and not later than seven days before the election. Alternatively, send a written request for temporary registration and an absentee ballot to the local county election commission. This written request must include your name, social security number, date of birth, the address you claim as your legal voting residence, and your current mailing address (where you want the ballot to be sent), and must be signed under penalty of perjury.

To register permanently, request a state post card registration form from the local county election commission. Complete it, postmark it at least 30 days before the election and return it to the local county election commission.

If you are already permanently registered and only wish to request an absentee ballot, send a completed FPCA to the county election commission so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than seven days before the election.

(2) Return your voted ballot so that it arrives by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before the election.

If you have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

C. Oath/Witness Requirements

The registrant must swear or affirm that the information supplied on the registration application or voting materials is true and correct. Furthermore, if an absentee applicant or voter requires assistance, one (1) additional person must witness the assistance given.
